

2011

Annual Meeting

and

Grant Award

Presentation

Letter to Members

Dear FAB! members and friends,

What started just eight years ago as an idea and a dream has become a powerful force in the arts community. Today we celebrate the more than \$1.4 million dollars in grants we have awarded to Broward County arts organizations since our inception. Only through our continued commitment to FAB!'s mission – providing financial support to Broward County arts organizations through grants – can we sustain this level of achievement.

Today, FAB! is awarding \$205,000 in grants to fund twenty-two different programs in our community. Under any circumstances this is quite a feat; in our present economic circumstances, it's phenomenal!

Funding Arts Broward, Inc. (FAB!) was formed when budget cuts to government funding for the arts began. The situation is even worse now as we watch the decline of arts funding on the local, state and national levels. It is up to us to make sure that our work continues. We will continue to look for ways we can use the power of FAB! to make our voices heard regarding arts issues while still doing the work for which we were established — funding grants.

Today is a time for congratulations and celebration! As a member of Funding Arts Broward you make a significant difference to our South Florida community through your support of the arts. For this, we thank you!

With appreciation,

Drazia Rubenstein

**Supporting the arts in our community
for our community**

Funding Arts Broward, FAB!, is a non-profit organization dedicated to preserving and cultivating the arts in Broward County. It was formed in response to the need for private financial support following drastic government budget cuts to arts funding.

Through a competitive grant process, annual awards are made to a myriad of non-profit visual and performing arts organizations in Broward County. This is a participatory endeavor. Members volunteer to review grant applications, conduct site visits, then evaluate and recommend funding for specific projects. Grantees are selected by a vote of the FAB! membership.

Read on to see which groups became our 2012 Grant Recipients...

Grant Recipients
