"Be the Spark!" 5-year, \$3 Million Campaign Update, First Edition

In just ten months, FAB members and donors have pledged or contributed over \$1.9 million to FAB's Anniversary Campaign, "Be the Spark!" The support of FAB members and campaign supporters granted us the ability to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Angel and David,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Jim and Cindy,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Ed,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear David,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Elissa and Len,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Eric and Chad,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!

- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Kat,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.

RE: "be the SPARK!" 5-year, \$3 Million Campaign Update, First Edition

Dear Ira and Penny,

Thank you for being the SPARK! **In just ten months, FAB members and donors have pledged or contributed \$1.9 million**, enabling FAB to put the funds to work immediately toward our four campaign goals. FAB is proud to share the first edition of our campaign impact update.

- ✓ **EXPAND EXISTING GRANT FUNDING:** So far, your gift to the campaign added \$130,000 to the 2024 performance, exhibition, and education grant funds, increased the grant pool by 36.7%, to a record smashing \$385,450, and made it possible to increase the maximum grant amounts to smaller organizations.
- ✓ **BUILD A NEW GRANT CATEGORY:** Your gift has seeded the first \$125,000 of the \$625,000 goal for the new grant category. FAB will pursue collaborations with other arts organizations to support an innovative new initiative designed to have a significant impact in the arts community. The New Grant Task Force is currently collecting data and expects to produce a report of its findings this fall.
- ✓ **INVEST IN FAB'S INFRASTRUCTURE:** Building our capacity as an arts organization is critical if FAB is to increase support of Broward's art community. Your contribution has enabled FAB to begin the search for a second employee to help with grant administration, membership, programs, and bookkeeping.
- ✓ **ENDOW FOR THE FUTURE:** Because of your generous gift, FAB has opened an endowment fund at the Community Foundation of Broward with \$200,000 and is on track to meet the 5-year campaign goal of becoming a "Community Builder" with a \$1,000,000 fund that will support the arts in our community and Funding Arts Broward.

The FAB Board, led by former Spark Campaign Chair Mary Riedel, appreciates your generous gift, and hopes you will continue to be the SPARK!

FAB will launch year two of the "be the Spark" campaign with the FAB season opener on October 17, 2023, which will be sponsored by Northern Trust, a FAB Corporate Partner. Our next edition of the Campaign Impact Report will be sent to you in February 2024.

Thank you for investing in Broward's creative art community!
