

2026 Grant Season Call for Applications

October 18, 2024

FAB is excited to announce the opening of our 2026 Grant Season. We continue to support, sustain, and enrich the arts in our community. FAB offers visual and performing arts grants for performances and exhibitions. In addition, FAB offers arts education grants dedicated to art appreciation and skill acquisition for grades K-12. Eligible organizations may apply for both a Visual and Performing Arts Grant and an Education Grant. **For organizations applying for both an education and performance grant, the maximum combined grant request is \$20,000.**

IMPORTANT CHANGE TO THE APPLICATION PROCESS:

To prevent ineligible organizations from spending their valuable time completing the entire application and to help FAB better manage the grant season, FAB has separated the eligibility determination from the program review process.

Organizations must first complete a pre-qualification form to determine that they meet FAB's eligibility requirements, even if they have previously received a FAB grant. Applications submitted without being pre-qualified will be declined.

IMPORTANT DATES:

- **December 9, 2024:** Deadline for submitting the pre-qualification form and required documents
- **January 27, 2025:** Deadline for submitting the grant application.

Applications submitted without being pre-qualified by December 9, 2024, will be declined.

STEP 1 - GETTING STARTED: FAB encourages you to do this as soon as possible. The deadline is December 9, 2024.

- Visit FAB's website at www.fundingartsbroward.org/grants.
- Read the Grant Application Booklet (PDF located on FAB's website).
- Determine which grant(s) your organization will be applying for and how much funding you will be requesting. (See pages 4 and 5 in the Booklet for funding guidelines.)
- Gather necessary documents for the pre-qualification form, click the link to Submittable on FAB's website, complete the form and upload the documents. You will not need to upload these documents again on the application(s). (See page 3 in Grant Application Booklet.)

STEP 2 – COMPLETE AND SUBMIT THE APPLICATION(S): Do not do this until you have completed STEP 1 and received an acceptance email from FAB.

- Gather necessary documents and images you want to include with your application. (See page 3 in booklet)
- Select the appropriate application form: Performance and Visual Arts or Arts Education
- Login to Submittable and complete the application(s), upload the images and documents, save a copy of the application and press submit.

We want you to be successful. If you have questions about the application process or instructions for completion, please direct them to fabgrants@gmail.com. We look forward to receiving your application.
