COMMUNITY.**

PRESIDENTS REPORT

Ed Hashek, FAB President

During 2021, FAB adjusted to facing the second year of the Pandemic. We were constrained on providing social events for our members and guests but remained strong in funding arts programs in Broward County. Through the hard work of all the FAB Committees, we embellished our communications, presented creative and interesting programs (mostly virtually), advanced our efforts to sustain FAB financially, and enhanced our outreach to our members.

We are so thankful for the generosity of our members and donors, with their continued support of FAB throughout this time. Our support for the arts has never been more crucial than it has been during the past two years.

Thanks to you, FAB remains strong and an important leading ambassador for the arts in our community.
