

2027 Grant Season Pre-qualification Opens

September 10, 2025

We're excited to announce that the 2027 Grant Cycle is now open! Funding Arts Broward (FAB) invites eligible organizations to apply for our visual and performing arts grants or arts education grants for grades K–12.

✿ What's New This Year?

- Each organization may apply for **only one (1) grant**—either a visual and performing arts grant **or** an arts education grant.
- Arts education programs must meet specific criteria outlined in the **Grant Application Instruction Booklet**. Please review it carefully.

☑ Step 1: Pre-Qualification – Now Open!

All organizations must **pre-qualify** before applying. Here's how to get started:

1. Visit <https://fundingartsbroward.org/grant-information/>.
2. Download and review the **Grant Application Booklet** (PDF). It includes important updates about eligibility and funding criteria.
3. Make sure your organization qualifies and decide which grant you're applying for.
4. Prepare the required documents listed on **page 2** of the booklet.
5. Complete the **Pre-Qualification Form** on Submittable and upload your documents. *(You won't need to upload them again later.)*

📅 Important Dates to Remember:

- **October 1, 2025** – Grant Application Forms become available on Submittable
- **October 31, 2025** – Deadline to submit the Pre-Qualification Form
- **January 20, 2026** – Final deadline to submit your grant application

⚠ Please note: Applications from organizations that have not been pre-qualified by **October 31** will not be considered.

We're here to help and want you to succeed!

If you have questions at any point during the process, please reach out to us at **Grants@Fundingartsbroward.org**.

We look forward to receiving your application and learning more about the inspiring work you're doing in our community!

Warm regards,

Anna and Katie
